

IMPORTANT SAFETY INSTRUCTIONS

1. Use only the wall charger included in your retail box.
2. Don't touch the Wall Charger while your hands are wet.
3. Never try to open the wall charger.
4. Do not expose the Wall Charger to high temperatures or very humid conditions.
5. In the event of overheating, disconnect the Wall Charger and forward it to any CARDO authorized Service Center.
6. Please read carefully the safety instructions regarding your headset, located in the enclosed Manual.

Please maintain basic safety precautions when using your Cardo Product ("Product")
This will reduce the risks of fire, electric shock and injury to users. Among others, you should comply with the following:

1. Use a damp cloth to clean the Product. DO NOT use liquid or aerosol cleaners.
2. Use caution when using your Product near water such as bathtubs, kitchen sinks or swimming pools.
3. Do not expose your Product to extreme temperature, moisture or high voltage.
4. Your Product is rugged, but can be damaged or broken if not handled with care.
5. Do not expose the Product to liquids, nor place heavy objects on it.
6. Do not disassemble the Product or any of its components for any reason.
7. Do not open the Product's casing, as this will void the warranty and may damage the electronic circuits. If assistance is needed, contact the store from which you have purchased the Product or contact us via e-mail at: support@cardosystems.com

Note: Prior to contacting us, make sure you have a valid registration number available.

8. Discontinue the use of your Product if:
 - a. Your Product is damaged.
 - b. Your Product has been dropped and the case has been damaged.
 - c. Your Product exhibits a distinct change in performance.
 - d. Your Product does not operate normally and adjusting the controls does not resolve the issue.
9. Unplug your wall charger from the Product if:
 - a. Liquid has been spilled into the charger.
 - b. The Wall Charger does not operate normally after following the operating instructions.
 - c. Your Wall Charger has been dropped and the case has been damaged.
 - d. The Wall Charger exhibits a change in performance.

Travel

Please be mindful that certain activities such as riding a motorcycle require your complete attention and concentration. Check the rules and regulations regarding the use of wireless devices in the area where you drive and obey the laws at all times. Pull over to the side of the road and park before making or answering a call if driving conditions require it. Do not initiate calls, perform pairing, linking or similar operations while driving. Most electronic equipment is shielded from RF signals. However, certain electronic equipment may not be shielded against the RF signals emanating from your wireless equipment.

Pacemakers

The Health Industry Manufacturers Association recommends that a minimum separation of about six inches (or 16 cm) to be maintained between a mobile phone or wireless device and a pacemaker to avoid potential interference with the pacemaker. Be sure not to interfere with the functionality of personal medical devices.

Hearing Aids

Some devices may interfere with certain hearing aids. In the event of such interference, you should consult your hearing aid manufacturer to discuss alternatives.

Other Medical Devices

If you use any other personal medical device, consult the manufacturer of your device and/ or your physician to determine if it is adequately shielded from interference caused by external RF energy. Your physician may be able to assist you in obtaining this information.

IMPORTANT:

Always keep charging lid closed after completing the charging process!

LIMITED WARRANTY

Your Product is covered with a One-Year Limited product warranty from the date of original purchase. Please retain the retail sales receipt and your registration data for proof of purchase.

What this limited warranty covers and for how long:

Cardo Systems, Inc. (the "Company" or "Cardo") warrants the products made by the Company against defects in material and workmanship under normal use and service for a period of one (1) year from date of purchase (proof of purchase and registration required). The Company at its sole discretion, will at no charge either repair, replace or refund the purchase price of the Product to the original purchaser during the warranty period, provided the Product has not been damaged or tampered with and has been returned in accordance with the terms of this warranty to an authorized Company Repair Center. Repair, at the Company's option, may include the replacement of parts, boards or batteries with functionally equivalent reconditioned or new parts.

Warranty Conditions

This express limited warranty is extended by Cardo Systems, Inc. solely to the original purchaser and is not assignable or transferable to others. This is the complete warranty for your Product. The Company assumes no obligation or liability for additions or modifications to this warranty unless made in writing and signed by an officer of the Company. Batteries are warranted only if the battery capacity falls below 70% of rated capacity or if the battery develops leakage. This warranty becomes void if: a. any of the seals on the case or battery are broken or Product or battery show signs of tampering, b. The battery is used in equipment other than the equipment for which it was intended. The Company disclaims all responsibility for any equipment not furnished by Cardo Systems Inc., which is attached to or used in connection with the Product. Furthermore, the Company is not responsible for any damage to any part of the Product resulting from the use of ancillary equipment not furnished by Cardo for use with the Product.

What this warranty does not cover:

1. Defects or damage resulting from the use of this Product in other than its normal and customary manner.
2. Defects or damage from misuse, accident or neglect.
3. Defects caused by improper operation, maintenance, installation, adjustment or modification of any kind.
4. Products opened, disassembled or repaired by non-authorized parties.
5. Defects or damage due to exposure to excessive temperatures, adverse weather conditions, external impacts or spills of food or liquid.
6. All plastic surfaces and all other externally exposed parts that are scratched or damaged after purchase.

Warranty Service

To receive warranty service, your Product must be registered. Fax either the attached registration card or register online at: www.cardosystems.com/registration. Please present the Product, along with your registration number, bill of sale (receipt) at any authorized Service Center or at the store from which you have purchased the Product. Returns to the Company pursuant to the limited warranty can only be accepted with a Return Authorization number obtained from Cardo's customer service department.

General Provisions

This warranty is given in lieu of all other express or implied warranties, including without limitation, implied warranties of merchantability and fitness for a particular purpose.

1. Cardo is not liable for any incidental or consequential damages arising from the use or misuse of any of the Company's Products.
2. The user should never attempt to perform service, adjustments or repairs of the Product by him/herself. Doing so will void all warranties. During the term of the warranty, all Products must be returned to the point of purchase or the authorized service center for all necessary work.
3. The Company is not responsible for any loss or damage incurred during shipping. All repair work on the Product by parties not explicitly authorized by the Company will void any and all warranties.
4. The information in this Manual is furnished strictly for informational purposes and is subject to change without notice. Cardo assumes no liability or responsibility for any errors or inaccuracies that may appear in the Manual or Quick Start Guide.

NOTE: Look for appropriate displays to verify that you are being serviced by an Authorized Cardo Dealer or Service Center. Cardo retains the right to amend and change its Products, manuals and specifications at any time without notice.

IMPORTANT: Cardo assumes no responsibility for direct and consequential damages, harm, merchantability or loss of any kind, including those resulting from the use of non-Cardo components or products in conjunction with its Products, and specifically the use of third party charges or Bluetooth® devices.

NOTICES

FCC Notice

This equipment complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this Product may not cause harmful interference, and (2) this Product must accept any interference received, including interference that may cause undesired operation. Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the User's authority to operate the equipment. Use only approved batteries and chargers. This equipment has been tested and found to comply with Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. Your Product is designed to operate at the maximum strength allowed by the FCC. This means that your Product can communicate only over a certain distance subject on the location of the cell phone, base unit and Headset, your vehicle, the construction and layout of your home or office. Weather conditions can also affect performance.

FCC RF Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. End users must follow the specific operating instructions for satisfying RF exposure compliance. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

CAUTION: RISK OF EXPLOSION IF BATTERY IS REPLACED BY AN INCORRECT TYPE. DISPOSE OF USED BATTERIES ACCORDING TO THE INSTRUCTIONS.

ALERTE : Risque d'explosion si la batterie est remplacée par un model qui ne convient pas. Il faut traiter les batteries usées selon les instructions.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/ TV technician for help.

European CE Notice - Certification and Safety Approvals/ General Information

This Product is CE marked according to the provisions of the R & TTE Directive (99/5/EC). Cardo Systems, Inc. declares that this Product is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC.
